I am out of the office and will return on 4/5/2017.

All existing and pending projects will need to wait until I return for review. Emails will be processed in the order they were received when I return.

If you are inquiring about a new project please send a project description, photographs, plans, and any permits to me in a single email. If your project is for the replacement of windows; a window schedule will be required for review, instructions can be found here:

If there is a preservation emergency such as code enforcement in progress please report the issue to LADBS <https://www.ladbsservices2.lacity.org/OnlineServices/?CFID=326402&CFTOKEN=68177889> if it is single-family or Housing <http://hcidapp.lacity.org/cris/informationcenter/code/index.htm> if it is multifamily.

Thank you in advance for your patience!
